Weekly Art Tracker - Eisenhower Matrix

	Urgent	**Not Urgent**
Important	Do – (Your MVP)	Schedule – (For V2.0)
	• daily hours tracking/loggin feature • materials + what day used tracking feature • weekly summary of average daily drawing hours, materials+ score out of 10	• Score breakdown/explanation (how is the score decided and what it means) • Random drawing prompt generator (Sample output: ketch the first thing that comes to mind when you see the word: ____) • Change the theme of the prompt? (like animals, nature, fantasy, etc.)
Not Important	Delegate – (Use a library)	Delete – (Cut it)
	• Prompt generation -> use already existing random word generators to come up with a random word • Use another feature of already existing generators to change the theme/topic for the prompt • JUnit for testing	• Feature to upload drawings/images to be stored in a small library/folder in the program • Music playing the background of the application • Providing summaries of weekly statistics over the past month (too much info)
